

## **CURRICULUM VITAE**

**Peter M. Butler:** Associate Professor of Landscape Architecture and Extension Specialist in Landscape Architecture, School of Design and Community Development, West Virginia University PO Box 6108, Morgantown, WV 26506-6108; 304.293.5462

[peter.butler@mail.wvu.edu](mailto:peter.butler@mail.wvu.edu)

### **Academic Appointment**

- 2014-present Associate Professor with Tenure, Department of Landscape Architecture, West Virginia University
- 2008-2014 Assistant Professor, Department of Landscape Architecture, West Virginia University
- 2007-2008 Senior Lecturer, Department of Landscape Architecture, Iowa State University
- 2001-2006 Lecturer, Department of Landscape Architecture, Iowa State University

### **Education**

- 2001 Master of Landscape Architecture, Iowa State University
- 2000 Bachelor of Landscape Architecture with Distinction, Iowa State University
- 1996 South Seattle Community College, Curriculum in Landscape Horticulture
- 1992 Bachelor of Arts: English-Creative Writing (French minor) University of Wisconsin, Madison

### **Professional Experience**

- 2008 Consulting Faculty Member, Institute for Design Research and Outreach, Iowa State University (summer)
- 2007 Consulting Faculty Member, Institute for Design Research and Outreach, Iowa State University (summer)
- 2006 Historical Landscape Architect, National Park Service, Mount Rainier National Park. Supervisor: Susan Dolan
- 2001 Landscape Architecture Extension Intern. Supervisor: Julia Badenhope, Extension Landscape Architect, Iowa State University
- 2000 Landscape Architecture Extension Community Visioning Intern. Supervisor: Doug Adamson, ASLA, Adamson+Associates, Des Moines IA.
- 1999 Research Assistant. Mira Engler, Associate Professor of Landscape Architecture, Iowa State University

### **Funded Research/External Funding**

- 2016 "Tucker County Cultural Tourism Planning" Funded through a grant from the Claude Worthington Benedum Foundation. Principal Investigators: Doug Arbogast, Jinyang Deng, Peter Butler, Daniel Eades (25% each) with the Tucker Community Foundation. \$60,000 (LA \$23,017)

- 2015 "Community Planning for Recreation and Heritage Tourism in Oceana and Mullens, WV and environs." Funded through a grant from the Appalachian Regional Commission Flex-E-Grant Program. Principal Investigator: Peter Butler; Co-PI: Kudzayi Maumbe; Community Partner: Christy Laxton, Executive Director Wyoming County Economic Development Authority. \$8500
- 2014 "Community Planning for Recreation and Heritage Tourism in Pineville, WV and environs." Funded through a grant from the Appalachian Regional Commission Flex-E-Grant Program. Principal Investigator: Peter Butler; Co-PI: Kudzayi Maumbe; Community Partner: Christy Laxton, Executive Director Wyoming County Economic Development Authority. \$8300
- 2014 "Recreational and Educational Trail Planning in Welch, WV at Indian Ridge." Funded through a grant from the Appalachian Regional Commission Flex-E-Grant Program. Principal Investigator: Peter Butler; Community Partners: Peni Adams and Stephanie Addair, Executive Directors McDowell County Economic Development Authority. \$9000
- 2013 "McDowell County Tourism Mapping and Guide" Funded through a grant from the National Coal Heritage Area to the McDowell County Economic Development Authority. Principal Investigator: Peter Butler. Community Partner: Peni Adams, Executive Director, McDowell County Economic Development Authority. \$8,020.56
- 2013 "JG Bradley Campground Visualization and Planning" Funded by Central Appalachian Empowerment Zone. Community Partner: Connie Lupardus, CAEZ Executive Director. \$2,000
- 2012-3 "Arthurdale Heritage Trail: Design and Planning" PI Peter Butler with Arthurdale Heritage, Community LINK Service Learning Grant: Campus Compact awarded 6/13/12. \$5000 and \$1000 Stipend
- 2013 "Lewisburg Wholesale Design and Planning" PI Peter Butler with Ronceverte Group, WV Redevelopment Collaborative (WV Brownfields Assistant Center and Benedum Foundation. \$6,000 (+\$2000 travel)
- 2012-13 "Henderson Hall Revitalization" Principal Investigator: Butler, P. CoPI: Burton, K., and Dulaney, R. \$15,000
- 2012-13 (7/1/2012-6/30/2013) "Everettville Historical Association Site Interpretation Elements for Miners Memorial Park" Principal Investigator: Butler, P. CoPI: Kyber. WVU OSP Public Service Grant. \$6500
- 2011-12 (10/1/2011 to 12/31/2012) "BF-09 Sustainable Energy Parks on Mine Scarred Land in Appalachia" Principal Investigator: Dr. Paul F. Ziemkiewicz (WVWRI). Co PI: Butler, P. (24.43%) Strager, J. Risch, C. (Marshall Univ). USEPA Cooperative Agreement/Assistance ID No. TR-83418501-0 \$176,152.00. \$18,332.99 (Butler) \$12,501.90 (GRA) \$9,545.28 (A.Campbell) \$3,448.80 (GRA).
- 2011 (6/1/2011 to 9/1/2011) "Itmann Visioning" Contracted through the Upper Guyandotte Watershed Association from West Virginia Brownfields FOCUS grant. \$1,500.
- 2011 (6/1/2011 to 9/1/2011) "Indian Creek Outdoor Classroom: Planning and Design" Contracted with Cliffs Natural Resources. \$1590.

2011 (10/1/2010 to 9/30/2011) "BF-17: Assess the Feasibility for Economic Development on Surface Mined Properties and Assist in Developing Land Use Master Plans for West Virginia Counties: Phase II" Principal Investigator: Dr. Paul F. Ziemkiewicz (WVWRI). Grantee WVU/NRCCE. Contracted with WV DOE, \$10,539.45 (WVDE to Landscape Architecture)

2010 Principal Investigator, "Horse Creek Lake Visioning." With graduate assistant Nathan Cameron. Contracted through the Upper Guyandotte Watershed Association from West Virginia Brownfields FOCUS grant. July-August. \$2,000

2010 Principal Investigator "Preston County Land Use Master Plan." With graduate assistant Nathan Cameron. Contracted through Preston County Economic Development Authority. June. \$4411.97

2001-5 Project Manager/Principal Author, "US Route 30-Lincoln Highway Corridor Management Plan." Iowa Department of Transportation. Principal Investigators: J. Timothy Keller, Genevieve Keller, Timothy Borich. Funded by the Iowa Department of Transportation, \$500,000

2001-5 Project Team Member, "Maintaining the Image of Iowa Beyond the Right-of-Way: A Corridor Management Plan for Significant Natural, Cultural and Visual Adjacencies to Interstate 80."

### **Research Reports**

Butler, P., Maumbe, K. "Community Planning for Recreation and Heritage Tourism in Oceana, WV and surrounding area." December 2015

Butler, P., Maumbe, K. "Community Planning for Recreation and Heritage Tourism in Mullens, WV and surrounding area." December 2015

Butler, P., Maumbe, K. "Community Planning for Recreation and Heritage Tourism in Pineville, WV and surrounding area." December 2014

Butler, P. "Recreational and Educational Trail Planning in Welch, WV at Indian Ridge." December 2014

Butler, P., Campbell, A., et al. "Comprehensive Land Use Master Plan for the Indian Ridge Site, McDowell County, WV" Submitted to EPA March 2013. Included in "BF-09 Sustainable Energy Parks on Mine Scarred Land in Appalachia" Principal Investigator: Dr. Paul F. Ziemkiewicz (West Virginia Water Research Institute) USEPA Assistance ID No. TR-83418501-0

Butler, P. "Lewisburg Wholesale Design and Planning" Report Submitted May 2013 to Main Street Ronceverte

Butler, P. "JG Bradley Campground: Entry Treatment and Overall Plan" Report Submitted August 2013 to Central Appalachian Empowerment Zone

Butler, P., Burton, K., Dulaney, R. "Henderson Hall Plantation: Planning and Visioning". Report submitted to Henderson Hall Steering Committee 6/23/2012

Butler, P, Kyber, A., Campbell, A., Wittner, K. "Indian Creek Outdoor Classroom: Planning and Design". Report submitted to Upper Guyandotte Watershed Association 7/1/2011

Butler, P. "Itmann Visioning". Report submitted to Upper Guyandotte Watershed Association 8/1/2011

Butler, P., Cameron, N. "Lewis County Land Use Master Plan". Report submitted to Lewis County WV EDA 6/6/2011

Butler, P, Cameron, N. "Preston County Land Use Master Plan". Report submitted to Preston County EDA 9/21/2010

Butler, P, Cameron, N. "Horse Creek Lake Visioning." Report submitted to Groundwork Wyoming County 8/1/2010

Butler, Peter; Dolan, Susan; Davison, Marc; and Moss, Saylor. "Saint Edward Seminary Cultural Landscape Inventory." National Park Service, Mount Rainier National Park for Washington State Parks. 8/2006.

US Route 30-Lincoln Highway Corridor Management Plan, Iowa Department of Transportation, Institute for Design Research and Outreach, Iowa State University, Winter 2005.

### **Other Research**

2008-Present Principal Investigator, "Pre-settlement to Contemporary Times- Cultural Landscapes of the Upland South: Research, Planning and Design" HATCH Research Project.

### **Honors and Awards**

- 2014 Outstanding Researcher Award; School of Design and Community Development; Davis College of Agriculture, Natural Resources and Design, West Virginia University
- 2011 Outstanding Teacher Award; Division of Resource Management; Davis College of Agriculture, Natural Resources and Design, West Virginia University
- 2010 Outstanding Researcher Award; Division of Resource Management; Davis College of Agriculture, Natural Resources and Design, West Virginia University
- 2009 Outstanding Service Provider Award; Division of Resource Management; Davis College of Agriculture, Natural Resources and Design, West Virginia University
- 2007 Recognized Mentor, Iowa State University, Student Scholars and Leaders
- 2003 Faculty Award for Extraordinary Performance, College of Design, Iowa State University (nominated for teaching and research)

### **Peer-Reviewed and Refereed Book Chapters**

Butler, P., Erickson, S. 2011. "Potential and Limits of the PLaCE Program's Design Extension Studio Model" Chapter 8 (pp 137-150). In Service-Learning in Design and Planning Educating at the Boundaries. Ed. Angotti, Doble, Horrigan. New Village Press. Oakland, CA. (Refereed/Double Blind Peer Review) ISBN 978-1-61332-001-3

### **Book Chapters: Edited**

Butler, Peter. 2007. "The Practical and the Picturesque: The Iowa State Campus." In *Tradition and Transformation: a sesquicentennial history of Iowa State University*, Chapter 9 (pp 283-304). Ed. Gretchen Van Houten and Dorothy Schwieder. Iowa State University Press (Blackwell Publishing). Ames, Iowa. ISBN 978-0-8138-1651-7

### **Peer Reviewed Publications/Papers**
