- 2015 Fall**

- LARC 450/652. Advanced Landscape Architectural Design I (co-taught).** 5 credits; two 3 hr. studio sections and two 1 hr. lectures per week; contact hours: 8 hours/week.

- 2014-15**

- Urban Design Studio**

- Master's Degree in Architecture and Architectural Engineering, University of Trento – DICAM, Department of Civil, Environmental, and Mechanical Engineering.

- Teaching Assistant** | 09/15/2014 – 01/16/2015

- 2013-14**

- Urban Design Studio**

- Master's Degree in Architecture and Architectural Engineering, University of Trento – DICAM, Department of Civil, Environmental, and Mechanical Engineering.

- Contract lecturer** | 09/16/2013 – 10/31/2014

- Ten-hour **Seminar** "The Dolomites: Geography and Resources," within an **Urban Planning Course**

- Master's Degree in Architecture and Architectural Engineering, University of Trento – DICAM.

- Contract lecturer** | 10/14/2013 – 01/17/2014

- 2012-13**

- Urban Design Studio**

- Master's Degree in Architecture and Architectural Engineering, University of Trento – DICAM.

- Contract lecturer** | 09/17/2012 – 10/31/2013

- Ten-hour **Seminar** within an **Urban Planning Course**

- Master's Degree in Architecture and Architectural Engineering, University of Trento – DICAM.

- Teaching Assistant** | 03/25/2013 – 06/14/2013

- 2011-12**

- Urban Design Studio**

- Master's Degree in Architecture and Architectural Engineering – Faculty of Engineering, University of Trento.

- Contract lecturer** | 09/19/2011 – 10/31/2012

- 2010-11**

- Environmental Restoration Seminar** within the Landscape Restoration Studio

- Bachelor Degree in Urban, Territorial, and Environmental Planning.

- University of Genoa, Faculty of Architecture.

- Contract lecturer** | 12/24/2010 – 04/30/2012

2010-11**Architecture and Urban Design Course**

Master's Degree in Architecture and Architectural Engineering, Department of Architecture, Constructions, and Structures.

University of Ancona (Marche Technical University).

Teaching assistant | 11/08/2010 – 11/07/2011

2009-10**Elements of Environmental and Landscape Design Seminar** within the Landscape Restoration Studio

Bachelor Degree in Urban, Territorial, and Environmental Planning.

University of Genoa, Faculty of Architecture.

Contract lecturer | 10/14/2009 – 04/30/2010

Architecture and Urban Design Course

Master's Degree in Architecture and Architectural Engineering, Department of Architecture, Constructions, and Structures.

University of Ancona (Marche Technical University).

Teaching assistant | 11/09/2009 – 11/08/2010

2008-09**Regional Development Course**

Faculty of Educational Sciences, Bachelor Degree in Education and Tourism Management.

University of Macerata.

Contract lecturer | 03/03/2009 – 04/30/2010

Architecture and Urban Design Course

Master's Degree in Architecture and Architectural Engineering, Department of Architecture, Constructions, and Structures.

University of Ancona (Marche Technical University).

Teaching assistant | 10/13/2008 – 10/12/2009

2007-08**Architecture and Urban Design Course**

Master's Degree in Architecture and Architectural Engineering, Department of Architecture, Constructions, and Structures.

University of Ancona (Marche Technical University).

Teaching assistant | 03/10/2008 – 03/09/2009

INVITED LECTURES**2015**

Lecture "Programma: elemento di congiunzione tra lettura e progetto" (Program: Joining Link between Analysis and Project), hosted by the Polytechnic School – Department of Sciences for Architecture (University of Genoa). Contribution to the **Urbanism and Feasibility** and **Public Space Project Courses** by Prof. M. Ricci.

2014

Contribution to a Course in Landscape Architecture by Prof. M. Ricci. University of Trento – Faculty of Architectural Engineering and Architecture.

Lecture "Progetti di Paesaggio Contemporanei. - Firmitas + Utilitas + Venustas" (Contemporary Landscape Projects: Firmitas + Utilitas + Venustas), hosted by the Institute of Technology – Department of Architecture (University of Genoa). Contribution to an **Urban Planning Workshop** by Prof. M. Ricci.

2013

Contribution to a Course in Landscape Architecture by Prof. M. Ricci. University of Trento – Faculty of Architectural Engineering and Architecture.

2012

Lecture: "Paesaggi Diversi (?)" (Different Landscapes (?)), contribution to Prof. M. Ricci's **Urban Planning Workshop** and **Course in Projecting Urban Space**. University of Genoa – Faculty of Architecture.

Lecture: "Island_ness – Isole Sensori del Cambiamento" (Island_Ness – Islands as Hot Spots of Change). A contribution to Prof. M. Ricci's **Courses in Urban Space Analysis** and **Projecting Urban Space**. Bachelor Degree in Industrial Design and Master's Degree in Product and Event Design.

Contributions to Prof. G. Scaglione's **Course in Urban Planning**, University of Trento – Faculty of Engineering.

OTHER TEACHING ACTIVITIES / SERVICE**2016 Fall**

Organization of a **Workshop** within the **LARC 250. Theory of Landscape Architectural Design Course**, Prof. M. Ricci invited, November 1-4.

Organization of the *Living Architectures* **Movie Seminar**. September 15th – November 3rd.

Implementation of the **Erasmus+ Programme**, inter-institutional agreement between WVU and the University of Trento for the mobility of students and faculty.

Member of the **Scientific Committee** of the **Santiago Emergent Ecologies International Ideas Competition** organized by the Center for Ecology, Landscape, and Urbanism of the Universidad Adolfo Ibáñez, Santiago (Chile).

2016 Spring

Guest critic for the **LARC 451 Advanced Landscape Architectural Design Course**.

Guest critic for the **LARC 261 Planting Design Course**.

Committee member in the **Alumni Charrette** for the design of Tomblin Plaza at the State Fair of West Virginia in Lewisburg.

Collaboration with the **Northern West Virginia Brownfields Assistance Center** for a brownfield reclamation in Clarksburg, WV within the LARC351 Landscape Architecture Design III Course.

2015

Organization and coordination of the **Student Design Competition for the Rio Salè Park** in Trento (Italy) organized by DICAM in collaboration with the Municipality of Trento. The competition invites contributions from students of the Master's Degree in Architecture and Building Engineering of the University of Trento.

2014

Organization and coordination of “**Re-cycle Trento. L'Altro Adige**” (Re-cycle Trento, the Other Adige) with C. Mattiucci and C. Rizzi: an exhibition of projects by students of the courses in Urban Studies, Urban Planning, Landscape Architecture, Architecture and Architectural Composition 1 and 2, Building Preservation, Retrieval, and Renovation. University of Trento – Department of Civil, Environmental, and Mechanical Engineering (DICAM). The event took place at the Casa del Capitolo and at the Department of Sociology and Social Research. Trento, May 30—June 30.

2012-2015

Supervision of several master theses for the Master's Degree in Civil Engineering and Architecture. Department of Civil, Environmental, and Mechanical Engineering (DICAM) – University of Trento.

AWARDS

2013-2014

Finalist **Howard E. LeFevre '29 Emerging Practitioner Fellowship**. Knowlton School of Architecture, Ohio State University

2010-2011

Finalist **Fulbright – Research Scholar**

• RESEARCH ACTIVITY

2014

Research contract with the University of Trento – Department of Civil, Environmental, and Mechanical Engineering. This month has been spent developing some aspects of the research conducted from September 2013 to September 2014. October 01, 2014—October 31, 2014.

Technical-scientific consulting for the “Osservatorio del Paesaggio Trentino” (Landscape Observatory of the Province of Trento) operative administration office, August 10—December 31.

2013

Research contract with the University of Trento – Department of Civil, Environmental, and Mechanical Engineering. Research project: *RE-CYCLE. Nuovi Cicli di Vita per Architetture e Infrastrutture della Città e del Paesaggio. Inventario e dimensionamento del fabbisogno edilizio con indicazioni relative alla localizzazione degli interventi e alla loro rispondenza a parametri ambientali e paesaggistici* (RE-CYCLE: New Life Cycles for Urban and Landscape Architecture and Infrastructure. An inventory and calculation of building demand, with guidelines on how to localize intervention and assess their conformity to environmental and landscape parameters). In the framework of the research project PRIN 2013-2016 *RE-CYCLE: Nuovi Cicli di Vita per Architetture e Infrastrutture della Città e del Paesaggio* (RE-CYCLE: New Life Cycles for Urban and Landscape Architecture and Infrastructure). September 15, 2013—September 14, 2014.

Technical-scientific consulting for the “Osservatorio del Paesaggio Trentino” (Landscape Observatory of the Province of Trento) operative administration office, with the aim to draft a five-year report on landscape conditions in Trentino (Progetto di Rapporto Quinquennale sullo Stato del Paesaggio Trentino). June 24—December 31.

2012

Renewal of research contract with the University of Trento – Department of Civil and Environmental Engineering. Research project: *Le Trasformazioni del Paesaggio Trentino – 1. Landscape, Urban Design & Contexts, Paesaggio Progetto Urbano, Contesti Sensibili, Infrastrutture e Mobilità Sostenibile nelle Alpi Laboratorio Green di Qualità e Innovazione* (Landscape Transformations in the Trentino Region – 1 Landscape, Urban Design & Contexts, the Landscape as Urban Project, Sensitive Contexts, Infrastructure, and Sustainable Mobility in the Alps – a Green Workshop on Quality and Innovation). In the framework of the research program *Analisi dell'Evoluzione del Paesaggio Trentino* (A study of the Evolution of the Trentino Landscape), commissioned to the University by the Autonomous Province of Trento. August 1, 2012—July 31, 2013.

Project coordination and scientific administration of the research program *Analisi dell'Evoluzione del Paesaggio Trentino* (A Study of the Evolution of the Trentino Landscape) commissioned in 2011 by the Autonomous Province of Trento - Department for Landscape Preservation to the Faculty of Engineering (now DICAM). Tech lead Prof. G. Scaglione, Faculty supervisor Prof. M. Tubino. August 1, 2012—July 31, 2013.

2011

Research contract with the University of Trento – Department of Civil and Environmental Engineering. Research project: *Le Trasformazioni del Paesaggio Trentino – 1. Landscape, Urban design & Contexts, Paesaggio Progetto Urbano, Contesti Sensibili, Infrastrutture e Mobilità Sostenibile nelle Alpi Laboratorio Green di Qualità e Innovazione* (Landscape Transformations in the Trentino Region – 1 Landscape, Urban Design & Contexts, the Landscape as Urban Project, Sensitive Contexts, Infrastructure, and Sustainable Mobility in the Alps – a Green Workshop on Quality and Innovation). In the framework of the research program *Analisi dell'Evoluzione del Paesaggio Trentino* (A Study of the Evolution of the Trentino Landscape), commissioned to the University by the Autonomous Province of Trento. August 1, 2011—July 31, 2012.

Project coordination and scientific administration of the research program *Analisi dell'Evoluzione del Paesaggio Trentino* (A study of the Evolution of the Trentino Landscape) commissioned in 2011 by the Autonomous Province of Trento - Department for Landscape Preservation to the Faculty of Engineering (now DICAM). Tech lead Prof. G. Scaglione, Faculty supervisor Prof. M. Tubino. August 1, 2011—July 31, 2012.

Consulting within the research project “Indicazioni Metodologiche per le Trasformazioni delle Aree Agricole di Versante a Nuove Tecniche Produttive” (Methodological Approaches for the Transformations of Rural Mountainside Areas through Innovative Production Techniques). Client: Riccispaini Architetti Associati s.r.l., public tender “Fondo Paesaggio” - Department of Urban Planning and Landscape Preservation of the Autonomous Province of Trento (tender n.128 on October 19, 2010 and n. 107 on July 21, 2011).

Research fellowship with the University of Trento – Faculty of Engineering, Department of Civil and Environmental Engineering. Research project: “**InfraA22scape**” (on infrastructure design), tech lead and tutor Prof. Arch. G. Scaglione. February 1—March 31.
